NEWS RELEASE

Sweden's slutty Princess Big Tits is moving to NYC to live with 3 women.

WBC can now picket her as representative of her wussy King of Sodom father – Carl XVI Gustaf – without the threat of arrest, prosecution and jail for preaching the Gospel.

Last August WBC announced a missionary trip to Stockholm to protest the jailing of Pastor Ake Green for preaching in his own pulpit that homosexuality is abnormal and sinful. The sissified girly-man King sent a written warning dated Aug. 28 that if we came to Sweden we would be jailed.

This popinjay King of sodomites, whores, zoophiles and monsters – this moral titmouse in the plumage of a peacock – has the gonads to sit on his not-so-royal lazy ass threatening to sue a Baptist preacher for telling his ugly family the truth about themselves. We will picket them in New York City.
